1.1 System Object Types and Definitions

ID	TYPE	REQUIRED	GROUP ID	VALUES	COMMENT	OBJECT TYPE
import_apiKey	string	true	import_general			Site Preferences
import_apiSecret	string	true	import_general			Site Preferences
import_mercantID	string	true	import_general			Site Preferences
import_paymentGateway	enum of string	true	import_general	inicis, kcp, toss, nice, kicc, danal, smartro, settleBank, payjoa, kakaoPay, naverPay, payco	Select one from the list of supported payment gateways. * Only one PG can be activated at a time	Site Preferences
import_inicisPaymentMethods	enum of string	false	import_inicisConfigs	card, vbank, payco. kakaoPay, naverPay, liveTransfer, samsungPay	Select multiple from the list of supported payment methods.	Site Preferences
import_inicisMerchantID	string	false	import_inicisConfigs		MID provided by the payment gateway	Site Preferences
import_kcpPaymentMethods	enum of string	false	import_kcpConfigs	card, vbank, payco. kakaoPay, naverPay, liveTransfer, samsungPay	Select multiple from the list of supported payment methods.	Site Preferences

import_kcpMerchantID	string	false	import_kcpConfigs		MID provided by the payment gateway	Site Preferences
import_nicePaymentMethods	enum of string	false	import_niceConfigs	card, vbank, liveTransfer, kakaoPay	Select multiple from the list of supported payment methods.	Site Preferences
import_niceMerchantID	string	false	import_niceConfigs		MID provided by the payment gateway	Site Preferences
import_tossPaymentMethods	enum of string	false	import_tossConfigs	card, vbank, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_tossMerchantID	string	false	import_tossConfigs		MID provided by the payment gateway	Site Preferences
import_kiccPaymentMethods	enum of string	false	import_kiccConfigs	card, vbank, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_kiccMerchantID	string	false	import_kiccConfigs		MID provided by the payment gateway	Site Preferences
import_danalPaymentMethods	enum of string	false	import_danalConfigs	card, vbank, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_danalMerchantID	string	false	import_danalConfigs		MID provided by the payment gateway	Site Preferences

import_smartroPaymentMethods	enum of string	false	import_smartroConfigs	card, vbank, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_smartroMerchantID	string	false	import_smartroConfigs		MID provided by the payment gateway	Site Preferences
import_settleBankPaymentMethods	enum of string	false	import_settleBankConfigs	card, vbank, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_settleBankMerchantID	string	false	import_settleBankConfigs		MID provided by the payment gateway	Site Preferences
import_payjoaPaymentMethods	enum of string	false	import_payjoaConfigs	card, vbank, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_payjoaMerchantID	string	false	import_payjoaConfigs		MID provided by the payment gateway	Site Preferences
import_kakaoPayPaymentMethods	enum of string	false	import_kakaoPayConfigs	card, kakaoPay, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_kakaoPayMerchantID	string	false	import_kakaoPayConfigs		MID provided by the payment gateway	Site Preferences

import_naverPayPaymentMethods	enum of string	false	import_naverPayConfigs	card, naverPay, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_naverPayMerchantID	string	false	import_naverPayConfigs		MID provided by the payment gateway	Site Preferences
import_paycoPaymentMethods	enum of string	false	import_paycoConfigs	card, payco, liveTransfer	Select multiple from the list of supported payment methods.	Site Preferences
import_paycoMerchantID	string	false	import_paycoConfigs		MID provided by the payment gateway	Site Preferences

1.2 Payment Gateways with Supported Payment Methods

PAYMENT GATEWAY	PAYMENT METHOD
KG Inicis	Credit Card, Live Transfer, Virtual Account, KAKAOPAY, NaverPAY, PAYCO, SamsungPAY
KCP	Credit Card, Live Transfer, Virtual Account, KAKAOPAY, NaverPAY, PAYCO, SamsungPAY
Toss	Credit Card, Live Transfer, Virtual Account
